

## My Olympic Birmingham

**Meet new people - Learn new skills - Break a world record - Work with famous athletes and artists - Develop something exciting within your community – Defy stereotypes**

**Want to be part of an M.O.B. that makes an Olympic ripple in your community? The Drum is seeking young adults between 16-25yrs to create Olympics and Paralympics inspired disturbances that will be talked about for years to come! If you want to work with other community members to create a stir, read on.**

**M.O.B.** is a programme inspired by the current craze of 'flash mobbing' where seemingly unplanned 'happenings' take place involving hundreds of children, young people and adults. **M.O.B.** is about creating new 'disturbances' sharing the values of the Olympics & Paralympics – **Excellence, Respect, Friendship, Courage, Determination, Inspiration & Equality.**

Between now and April 2011, there are various **short-term, part-time** and **full-time** opportunities ranging from one hour to ongoing regular involvement in the following:

- **Steering Group** – Working on a weekly basis you will offer your time to steering the development of the programme
- **Community Ambassadors** – You will deliver outreach activity to promote the programme more widely
- **Placements** - You will volunteer your time at The Drum and other settings, working on projects that benefit and engage the wider community
- **Inspiration Workshops** – You will support the inclusion of other community members in workshops helping to develop flashmob events
- **Performances & Sharings** – You will plan, deliver and review performances and sharings that fully include the wider targeted community
- **Working Groups** – You will deliver additional activity (marketing, researching, filming & photography, etc) to ensure our success
- **Reviews & sharing learning** – You will offer your time to review the progress of the programme and inform its development.

We want to work with you to create a snowball effect within Birmingham that everyone will want to be a part of. **Join Us and Get M.O.B.ing!**
