

Registered Charity No. 1128552

Creative Programmer

Fixed term until 31 March 2011
(with a possibility of extension subject to available funding)

£24000 + benefits

Bright Space requires a skilled Creative Programmer, with an interest in primary education/early years learning and family participation, to work with our current programming team and to lead on the effective running of the Creative Partnerships Programme.

You will have at least 2 years experience of managing programmes within the arts/education sector that promote creative learning and participation. You will have excellent written, presentation and IT skills and will be able to demonstrate a track record in managing partnerships, evaluating projects and budgets effectively.

For an application pack please go to www.brightspace.org.uk

All applications must be submitted by email to sadie@brightspace.org.uk by 9.00am, Thursday 23 September 2010 with a signed hard copy in the post to follow. Only applications received via email will be considered.

Interviews: Friday 1 October 2010.

All successful applicants must undergo an enhanced CRB check.
No recruitment agencies please.
